

QUALITY POLICY & OBJECTIVES

GazNeft Morgan FZE

Oil & Gas Asset Integrity and Corrosion Management

GazNeft Morgan – Quality Policy and Objectives

GazNeft Morgan aims to provide defect free products to its customers, on time and within budget. We operate a Quality Management System as per ISO 9001:2015 , including aspects specific to the provision of strategic corrosion management, consultancy services and the supply of specialist products.

The management is committed to:

- Develop and improve the Quality Management System
- Continually improve the effectiveness of the Quality Management System
- The enhancement of customer satisfaction

The management has a continuing commitment to:

- Ensure that customer needs and expectations are determined and fulfilled with the aim of achieving customer satisfaction.
- Communicate throughout GazNeft Morgan Management the importance of meeting customer needs and all statutory and regulatory requirements.
- Establish the Quality Policy and its objectives
- Ensure that planned Management Reviews are set and to review the quality objectives, and reports of the Internal Audit results, as a means of monitoring and measuring the process and the effectiveness of the Quality Management System.
- Ensure the availability of resources.

QUALITY POLICY & OBJECTIVES

GazNeft Morgan complies with all relevant statutory and regulatory requirements and constantly monitors its quality performance, implementing improvements when appropriate.

This Quality Policy is regularly reviewed in order to ensure its continuing suitability.
